ABSTRACT

In 1972 the United Pueblo Agency produced a bibliography that lists the titles, authors, and sources of theses and published books on each of the 16 New Mexico Pueblos. A separate section is devoted to citations of works on Pueblo Indians in general. The number of listings for each Pueblo vary. Only one title each is listed for Isleta, Nambe, Picuris, San Felipe, Santa Clara and Tesuque Pueblos, and San Juan and Zia Pueblos have two titles each. Three references each are given for Cochiti, Jemez, Laguna, and Santo Domingo Pueblos, and four each for Acoma, San Ildefonso, and Taos Pueblos. Zuni Pueblo has seven titles listed. The general section on Pueblo Indians lists 50 theses and 292 published books, some of which date back to the late 1800's. Topics represented among the works include history, culture, archaeology, art, and education. (DS)
